WORK EXPERIENCE

Red Hat

02/2023 - TBD - Brno, CZ

I have been part of the team that develops various components for an open-source CI/CD system focusing on software supply chain security. Specifically, I have been working on a project that enables building container images without access to the internet, and makes the build process secure, reproducible, and auditable by providing an accurate Software Bill of Materials (SBOM) before the build even begins.

Skills

`Python` `Go` `Bash` `Linux` `Podman` `OpenShift` `Tekton` `Scrum` `Kanban` `Jira`

Faculty of Informatics, Masaryk University

02/2022 - 01/2024 - Brno, CZ

During my studies, I provided code reviews for other students accross several courses at the faculty, grading their assignments based on the quality of their code. Also, I prepared materials and conducted a couple of seminars.

Nokia

07/2022 - 06/2023 - Bratislava, SK

I maintained automated testing frameworks for virtual network topology and infrastructure project and gained practical experience in network security protocols and software-defined networking.

Skills

`SDN` `SD-WAN` `Cryptography` `Security` `Linux`

EDUCATION

Certificates

Red Hat Certified OpenShift Application Developer

Red Hat Certified Specialist in Containers

Red Hat Certified Engineer

Red Hat Certified System Administrator

Deutsches Sprachdiplom (DSD)

University

09/2020 - 06/2024 - Brno, CZ

Faculty of Informatics, Masaryk University

Skills

`C/C++` `Rust` `Python` `Java` `C#` `SQL` `TypeScript` `React` `Haskell` `Perl` `Bash` `Assembly`

The skills above are just a few examples of what I encountered at the university. They should be replaced with algorithms, data structures, object-oriented programming, and math. These form the comprehensive knowledge of computer science and software engineering. I am confident I can learn **ANY** programming language or technology. I believe the ability to write clean code and solve problems does not depend on a specific programming language.

ACHIEVEMENTS

- 4x Slovak U19 Pool Championships winner
- 3x European Pool Championships participant
